PROFESSIONAL SUMMARY

Full stack software engineer specializing in scalable web applications using Python (FastAPI), JavaScript (Vue.js), MERN and cloud technologies. Proven ability to design, implement, and deploy maintainable and performant systems in agile environments. Passionate about automation, collaborative team dynamics, and continual technology learning.

EXPERIENCE

WebMD

Trainee Software Engineer

Apr 2025 – Present

mumbai

- Develop services in Python (FastAPI) for production use.
- Build, maintain, and optimize Vue.js front-end interfaces.
- Automate development/deployment tasks with Shell and Linux.
- Debug and improve microservices as part of an agile development team.

PROJECTS

Retrospective Board for Teams | Python FastAPI, Vue.js

2025

- Designed and developed a real-time retrospective board tool enabling collaborative sprint analysis and feedback collection for engineering teams.
- Implemented back-end using Python FastAPI with robust WebSocket-based event streaming for instant, synchronized updates across distributed teams.
- Built a modular, user-friendly front-end with Vue.js; deployed for 1,500+ employees across multiple regions, supporting seamless remote and hybrid agile ceremonies.

Real-Time Collaborative Code Editor | MERN Stack

2024

- Built a multi-user code editor with seamless cross-browser editing, real-time sync using advanced Socket.IO, and performance optimizations.

EDUCATION

IIIT Pune

B.Tech, Computer Science, CGPA: 8/10

2021 – Present

Pune

Z.P. Jr College, Amravati

HSC: 98% SSC: 93.8%

2019 – 2021

Amravati

TECHNICAL SKILLS

Languages: Java, Python, C++, JavaScript, SQL, NoSQL
Frameworks: FastAPI, Node.js, Express.js, React.js, Vue.js

Databases: MongoDB, MySQL

Developer Tools: VS Code, Android Studio, IntelliJ, Linux, Git, Docker

COURSEWORK

Data Structures & Algorithms, Operating Systems, Computer Networks, DBMS, Web Development, Machine Learning

ACHIEVEMENTS

- 500+ problems solved on Leetcode, CodeChef, and GFG
- CodeChef: Max 1625; AIR 484 in Starters 141
- Leetcode: Max rating 1695

EXTRACURRICULAR

Badminton Club, IIIT Pune

Core Member

2022–

Pune

- Managed teams in IIIT & AIT tournaments [Certificate]

Arambh Community, IIIT Pune

Founding Member

2022–

Pune

- Coordinated Shivjayanti, Ganpati Utsav, Holi [Gallery]

CERTIFICATIONS

- Java & DSA Certificate
- Java & Networking Certificate
